the 6 pass

FOR RESTAURANT, SPA AND STUDIO OWNERS · TORONTO

More guests on your quiet days.

The 6 Pass is a yearly membership for Toronto. Members get two-for-one, or a free upgrade, at a short list of hand-picked places. They bring someone, and they come back.

HOW A VISIT WORKS

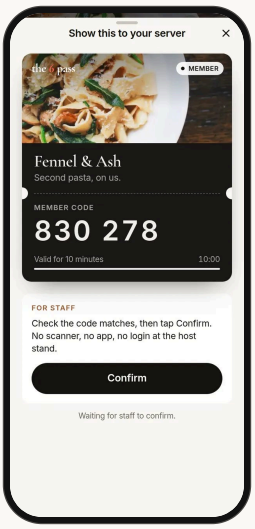

1. The member taps **Redeem** at the table or front desk, before the bill.
2. They show a six-digit code that lasts ten minutes.
3. Your staff check it matches and tap **Confirm**. No scanner, no app, no login at the host stand.

YOU CONTROL THE OFFER

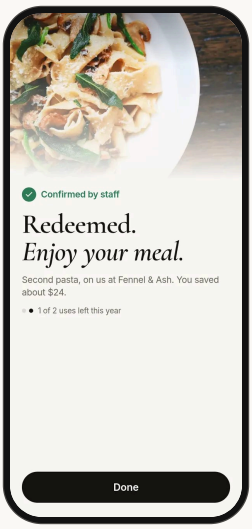

- Two-for-one, or a free upgrade or add-on. Food, services and non-alcoholic drinks only.
- The days it runs: at least three a week. Leave out your busy nights.
- How many times each member can use it in a year. Most start with two.
- Blackout dates, and a pause with 7 days' notice to members.

WHY OWNERS JOIN

- New guests on your quiet days.
- Guests who bring someone, and come back. The second visit is at full price.
- Questions? We are happy to walk you through it on a call.
